

Prairie Communications Mission Statement

Contributed by Webmaster

Prairie Radio Communications' goal is to use the power of radio to benefit its customers, its employees, and the communities it serves. Along with presenting quality programming to its audiences and delivering results for advertisers, Prairie Radio Communications will strive to always foster a positive work environment that encourages efficiency, cooperation and growth for its employees. Every effort, big and small, everyday will be dedicated to achieving the Prairie Radio Communications mission. Great Radio.

Always Prairie Radio Communications is a 17 station radio broadcasting corporation with corporate offices located in Dekalb, Illinois. For more information you may contact:
